

Product Advisory (PA# -20121005 ha)

Date: 5th October 2012
Subject: Discontinued Product Announcement

Dear Valued Customers and Partners:

Thank you for your continued business and usage of our products. MORITEX and SCHOTT are committed to making further efforts to enhance the performance as well as quality of our products through outstanding development capabilities and strict quality management. In accordance, we officially announce that the production of the current model of the LLS LED Light Source (A20960.1) will soon be terminated. This model will be replaced by the more advanced yet compatible LLS 3. Should you have any questions, please contact your local sales representative.

Tomo Mizuno
General Manager
MV and Industrial Division
Moritex Corporation

Details:

1. Products to be Affected

LLS, A20960.1 (SAP# 1218428)

2. Description

LED Light Source, White, Remote Control Including Ethernet

3. Implementation

As soon as stock is exhausted after November 2012.

* Please note that the service, repair, and/or replacement of the affected products shall also be terminated no more than 5 years after the date of manufacture respectively.

4. Reasons

- Manufacturer of light engine has discontinued supply resulting in limited inventory
- To update the light engine and other components for improved performance, output and efficiency

5. Technical Reference

Please see the new datasheet and manual to be issued by sales.
