Dear valued customers:

Thank you for using MORITEX products.

Supplier who made power supply units for our LED controllers filed personal bankruptcy to Tokyo District Court on December 27, 2018, and order of commencement of bankruptcy proceeding was issued on same day.

Because of this, we are now in the difficult situation to prepare parts for our LED controllers.

Within this context, we had been paying every effort to sustain the business, however, we could not have a better outlook to secure constant delivery, Therefore, we have no choice but to decide the sales termination of "MLEK-D770 Series".

We are sorry for the inconvenience you may have, and your understanding will be highly appreciated. Should you have any questions, please contact your sales representative.
